

FTSE UK Index Series Quarterly Review June 2015

- **Inmarsat to join FTSE 100**
- **Aggreko to enter FTSE 250 in rebalance**

FTSE Russell, the global index provider, confirms today that Inmarsat will be joining the FTSE 100 Index. In the rebalance, Aggreko will leave the UK's leading index and enter the FTSE 250 Index.

The changes announced today are part of the impartial quarterly reviews endorsed by the independent FTSE Europe, Middle East and Africa (EMEA) Regional Advisory Committee. The rules-driven reviews ensure the indexes continue to portray an accurate reflection of the market they represent, and form an essential component to the management of the indices.

The FTSE 250 Index will see the following changes (in alphabetical order), in addition to the amendments described above:

Entering FTSE 250 Index	Exiting FTSE 250 Index
Aldermore Group Auto Trader Group B&M European Value Retail John Laing Group Onesavings Bank Shawbrook Group Wizz Air Holdings Woodford Patient Capital	BlackRock World Mining Trust De La Rue Imagination Technologies Group Infinis Energy Law Debenture Corp Personal Assets Trust RPS Group Soco International

FTSE operates a reserve list for the FTSE 100 Index, to be used in the event of a corporate action occurring between reviews e.g. merger, acquisition, delisting or suspension. In such cases, the reserve list constituent with the largest market capitalisation (on the date of the corporate action) will replace the outgoing constituent. With immediate effect, the following reserve list for FTSE 100 will be used (in alphabetical order):

- Aggreko
- Berkeley Group Holdings
- Croda International
- DCC
- Provident Financial
- Rexam

Press Release

All changes from this review will be implemented at the close of business Friday, 19 June 2015 and take effect from the start of trading on Monday, 22 June 2015.

Notes to editors:

About FTSE Russell:

FTSE Russell is a global index leader that provides innovative benchmarking, analytics and data solutions for investors worldwide. FTSE Russell calculates thousands of indexes that measure and benchmark markets and asset classes in more than 80 countries, covering 98% of the investable market globally and trading on over 25 exchanges worldwide.

FTSE Russell index expertise and products are used extensively by institutional and retail investors globally. Leading asset owners, asset managers, ETF providers and investment banks use FTSE Russell indexes to benchmark their investment performance and create ETFs, structured products and index-based derivatives.

A core set of universal principles guides FTSE Russell index design and management: a transparent rules-based methodology is informed by independent committees of leading market participants. FTSE Russell is focused on applying the highest industry standards in index design and governance. FTSE Russell is also focused on index innovation and client collaboration as it seeks to enhance the breadth, depth and reach of its offering.

FTSE Russell is wholly owned by London Stock Exchange Group. For more information, visit www.ftserussell.com.
