4 May 2016

Disclaimer

The material contained in this document is a presentation of general information about the ASX Group's activities current as at the date of this presentation (4 May 2016). It is provided in summary and does not purport to be complete. You should not rely upon it as advice for investment purposes, as it does not take into account your investment objectives, financial position or needs. These factors should be considered, with or without professional advice, when deciding if an investment is appropriate.

To the extent permitted by law, no responsibility for any loss arising in any way (including by way of negligence) from anyone acting or refraining from acting as a result of this material is accepted by the ASX Group, including any of its related bodies corporate.

This document may contain forward-looking statements with respect to the financial condition, results of operations, and business strategy of the ASX Group. These forward-looking statements are based on estimates, projections and assumptions made by the ASX Group about circumstances and events that have not yet taken place. Although the ASX Group believes the forward-looking statements to be reasonable, they are not certain. Forward-looking statements involve known and unknown risks, uncertainties and other factors that are in some cases beyond the ASX Group's control, and which may cause actual results, performance or achievements to differ materially from those expressed or implied by the forward-looking statements (and from past results). The ASX Group makes no representation or warranty as to the accuracy of any forward-looking statements in this document and undue reliance should not be placed upon such statements.

Forward-looking statements may be identified by words such as "aim", "anticipate", "assume", "continue", "could", "estimate", "expect", "intend", "may", "plan", "predict", "should", "will", or "would" or the negative of such terms or other similar expressions that are predictions of or otherwise indicate future events or trends.

The forward-looking statements included in this document speak only as of the date of this document. The ASX Group does not intend to update the forward-looking statements in this document in the future.

- ASX and DAH working together to develop a beta software system to assess the technology
- Engaging with regulators, stakeholders and customers
- 6–12 month process of initial evaluation
- Development alongside existing CHES platform
- Final decision on post-trade technology in 2017

Digital Asset Holdings Investors

BNP PARIBAS

CME Group

Broadridge

InnoVentures

Regulatory Environment

Developments Last Three Years

Investors

- Equity market regulations supporting end-investors

Systemic risk

- Location requirements
- Global regulatory and capital standards adopted
- A\$ OTC interest rate swap central clearing mandate recommended along with G4 currencies

Global competitiveness

- Post-trade solutions in place
- ESMA recognition received, CFTC exemption relief
- AA- long-term credit rating from S&P

Equities Clearing Review

Safe and effective competition

- Treasurer announced commitment to putting in place safe and effective competition for cash equities clearing
- Minimum 18 month period to transition
- Changes to ASX's 15% shareholder limit to bring into line with banks and insurance companies – Treasurer can act in national interest
- Confirmation of domestic location requirements

ASX cash equities clearing and settlement

- Key customer and stakeholder commitments on engagement, pricing, access and confidential information confirmed
- 10% reduction in clearing fees from 1 July 2016
- Retain rebate schemes in FY17
- Equities trading rebate scheme discontinued from 1 July 2016
